

**MARCH 17 - 19, 2023**

SHERATON CENTRE TORONTO  
123 QUEEN ST W, TORONTO, ON M5H 2M9

## Media Kit

Breakout is **Toronto's largest tabletop gaming convention**, held in Downtown Toronto during the weekend of **March 17 - 19, 2023**. After two cancelled events due to the pandemic, we're back for our fifth convention eager to be re-united with our great community again!

Breakout is organized by passionate members of the local tabletop community who saw a need in Toronto for an event of this kind, and the response by gamers has been astounding! With many in the community greatly anticipating returning to the convention scene in 2023, we look forward to what we're sure will be another successful event.

Breakout's popularity had resulted in steady year over year growth, resulting in us having booked more space each year at the Sheraton. As these are still challenging times, we've chosen to scale back on some of the growth for 2023 in order to ensure that the convention remains viable, while at the same time providing the space needed for our core elements that our attendees expect and look forward to.

We want to create opportunities to put you right in the centre of the action, covering the aspects of Breakout that interest you and your audience. This kit is designed to highlight the various features of Breakout Con and provide easy talking points you can build on of if you wish.
